Let's have fun at the Farmers Market!

This vegetable is usually a deep red–purple color but some varieties are yellow, orange, and even striped. They are not as perfectly round as a baseball, but they're almost just as hard.

I am a vegetable that grows in the ground. I am crunchy and good for your eyesight. You can pull me from ground by my green, leafy top. What am I?

**POWERFUL PRODUCE!**

What is it? \_\_\_\_\_  
How many color varieties did you find? \_\_\_\_\_

Check off each item you find on this list:

- 2 different red fruits
- A vendor selling jam or honey
- A funny shaped fruit or veggie
- A food that grows underground

How many kinds of lettuce can you find?  
List them here:
